

Willard Tables & Benches

Meet Willard! Willard is a thoughtful new line of tables & benches that work seamlessly with our Wilshire and Boulevard planter collections. Made of hardwood and steel, with a modern frame, Willard is solid and generously proportioned, making it perfect for a variety of commercial applications.

Willard Tables & Benches come in a range of sizes which work together to create spacemaking systems with endless possibilities; outdoor dining and working spaces, areas for casual gatherings, or a more modern interpretation of park seating.
