

Florence Collection

The romance of the renaissance is created with a rounded scroll-top pot, and round accent in the lower portion, for an elegant style design. The lightweight GFRC concrete is durable enough for high traffic locations yet light enough to be moved.

Florence Collection GFRC Round

- Lightweight GFRC concrete planters; durable despite low weight
- Coordinates with our self-watering container irrigation products
- Round planter sizes from 24" to 60"
- Drain holes standard, no drain holes upon request
